Calves	20ml
Sheep	25ml
Goats	25ml
Dogs	10ml
Birds	Live weight x number of birds at 10ml per 45kg
Other	10ml per 45kg bodyweight

Suggested Feeding Instructions

IN FEED Pour *NRG Stockgain* (refer recommended feeding amount) over feed and mix well. Alternatively mix 10% water or *NRG Apple Cider Vinegar* with *NRG Stockgain* and add this to feed, mixing well. All animals love the delicious taste, helping to reduce wasted feed.

IN WATER Pour required amount of *NRG Stockgain* into a bucket and top up with drinking water. Stir well. This should keep horses and animals drinking their water when away from home, especially when competing or travelling.
